

The letter below outlines Little Miracles Child Care & Learning Centre obligations to share your child's immunization information with York Region Community and Health Services Department.

Community and Health Services Department
Public Health Branch

April 2, 2013

Dear Parent/Guardian:

Re: Immunization Record Information

Immunization is one of the most successful strategies to prevent illness related to vaccine-preventable diseases. The *Ontario Day Nurseries Act, R.R.O. 1990* requires all children attending a licensed child care centre to be fully immunized.

York Region Community and Health Services (YRCHS) is required to keep up-to-date immunization records for every child attending a licensed child care centre in York Region.

Beginning this year, YRCHS will be working with all licensed child care centre operators in the Region to collect demographic and immunization information for all children that attend each child care centre. Each child's record will be reviewed to ensure that they have received immunizations appropriate for his/her age.

We will contact you if your child's immunization information is incomplete according to the information that has been provided by the child care operators.

If you decide not to immunize your child due to medical, conscience or religious reasons, the forms are available online at www.york.ca/immunization. These forms must be completed and returned to us.

All information requested and received will remain confidential.

If you have not provided immunization information to your child care centre, please send this information directly to YRCHS by fax to 905-895-6066 or by mail to:

The Regional Municipality of York
Infectious Diseases Control Division
Attention: Immunization Information
194 Eagle Street, Newmarket, ON L3Y 1J6

If you have any questions or concerns, please visit our website at www.york.ca/immunization or call us at 1-877-794-1880 ext. 67565, or to speak to a nurse call ext. 3452.

Sincerely,

A handwritten signature in blue ink, appearing to read "Denise Graham".
